COMMISSION SCHEDULE

BOOGLES

Commission for all business referred is agreed as follows:

10% is due on the first invoice issued to the new client and on any invoice issued relating to work done in the first 28 days after taking on the new client.

5% is due on all further invoices until the one-year anniversary of the issue of the first invoice.

Then:

2% is due on all further invoices until the two-year anniversary of the issue of the second invoice.

Commission is calculated as a percentage of the total amount billed (taking into account the exclusions set out in the main document)
