

AAT branch network

The AAT has a network of over 40 branches in the UK - and another six internationally. Each branch is run by members, for members.

More and more people are taking advantage of the many opportunities offered by our branches. These include:

- free training sessions covering topics such as payroll, inheritance tax planning, pensions and VAT
- regular events where members can meet, network and share ideas
- joining the branch committee and gaining valuable skills and experience
- progressing from the branch committee to stand for election to the AAT Council.

AAT Additions

Available exclusively to full members, AAT Additions offers discounts on products and services from other organisations such as:

- travel, home and car insurance
- health clubs
- CDs, DVDs and games
- legal advice
- magazine subscriptions
- IT training
- hotel stays
- eye care.

Designed to support you both professionally and personally, you'll find the full range of AAT Additions offers at aat.org.uk/additions

“Being a full member gives me a professional shoulder to lean on”

Lisa Newton MAAT, Managing Director,
Boogles Ltd.

“Having the letters MAAT after my name gives me a sense of real achievement in life - and being a full member gives me a professional shoulder to lean on when I need clarification on certain accounting issues. The technical advice line has helped me over the years and there are always seminars and workshops available through the AAT branch network.”
